# *Spirit Shines*

Western cheerleaders show their spirit by throwing a Pontiac dummy into the fire

Surrounded with the jeers of Pontiac football dummies the cheerleaders return to the enthusiastic fans as they begin the drive for a new stadium

Kickoff was October 18, 1980, and it was the start for a stadium at Western High School. Mr. Bryant, principal, spoke about getting a stadium and giving the Warriors a home. Mr. Bloenk, assistant principal, then psyched up the football players to show their spirit for the stadium by beating Pontiac Central later that night. Mr. Wirsing booster club president, also promoted the stadium. A big surprise to everyone then came. There was a drum roll and Mr. Saxton unrolled a long check for a \$1000 donation. While the Westernettes challenged all school organizations with a \$50 check of their own. Next was the spirited part of the Kickoff; the cheerleaders burned in the bonfire a dummy to represent Pontiac Central and our beating them in the football game that night. The rally successfully ended with pledges adding up to \$3000 for the stadium at Western High School.

Western once again participated in the annual St. Patrick's Day Parade held on March 16, 1980. The Student Council, Cheerleaders, and Homecoming Court each entered floats, while the Band, Westernettes, and Majorettes also participated. Special awards went to the Student Council float and the Band for appearance and showmanship. Through the efforts of all these fine groups, Western was well represented again.

# **Drummond Honored**

The spring of 1980 Western High School had the fortunate opportunity to witness an award ceremony—an award certainly due to an outstanding educator. Mr. Thomas Drummond, our chemistry teacher at Western, received the prestigious Catalyst Award distributed by the Chemical Manufacturers Association. In addition to the sizable medal, a \$1,500 cash award was presented.

To emphasize the importance of this award, out of the thousands of candidates eligible for the honor from across the United States and Canada only eight find themselves chosen. To be honored, one must possess an excellence in teaching chemistry, motivating students to careers in science, and presenting them with their responsibility as citizens.

We at Western are honored to have Mr. Drummond as part of our faculty and believe he is a worthy recipient.

This was a comedy about two college students who wanted to propose to their girl friends. They intended to use their aunt's help but found it necessary to dress up an imposter when their aunt was late. This led to some hilarious situations.

The 1980-81 Student Council had another busy year planning activities for students and organizing many events such as homecoming, spirit week, switch day and many others.

Missy Salkowiak sobs as Peggy Schlatter and Sarah Auernhammer voice their opinion

Who are you dreaming about, Judi Janowicz?

Sherry Wegener disagrees strongly with Dave Burk's idea

The National Honor Society Asethetikos Chapter this year is made up of 35 members plus the extraordinary help from their new advisor Mr Tom Drummond. The Honor Society tried to get a little more involved in different activities this year than in the past. Their first big and very successful project was to offer their time and friendship at the special Olympics.

In the beginning of the year, they held elections for officers: President, Robin Martin; Vice President, Greg Dardas; Secretary, Diana Balwinski; Treasurer, Tim Friebe. It took leadership, character and service for all four years to be selected for such an honor. Indeed this bunch of kids should be proud to represent their school in such an academic way.

Colleen Herner, Kim LeVasseur, and Kari Brantner express their feelings during a long day at their table.

Adding spirit keeping score timing and running meets are just a few of the many things that Mat Club does. Held this year at Western were two varsity tournaments, one junior varsity tournament, one fresh soph tournament, and the Valley meet which Mat Club worked at, along with the weekly dual meets.

This year Darcy Dannesberger and Lynda Vennix served as captains of the nearly 60 girls participating in Mat Club.

The 1980 Football season should be evaluated as one that again placed Western on the "right track". The season ended with a 3 win-6 loss record. However Western was 3 and 3 in Valley competition.

Western placed three players on the All Valley team: First team was Scott Rechsteiner - LB and Tim Fournier - Punter. Second team was Vaughn Rvtlewski Offensive Guard.

Louie Zuchnick and Scott Rechsteiner both received the Golden Helmet award during the season.

The more we get back into sports, the more we improve. This was seen in the J.V. football team this year. As freshmen last year they were quite strong and determined. As sophomores this year, they carried that strength and determination through the season. As the season went on, it was filled with its ups and downs, but the J.V.'s finished it with a fine final standing of 5 wins and 4 losses.

Mr. Art Manwell, with the help of Mr. Cody, coached the 1980 girls' swim team. At the beginning of the season Mr. Manwell's goal was to be the Valley Champions. There were many hard practices, and times improved. Many records were broken throughout the season. The swim team managed to take second place over Midland High who were Valley Champs last year.

They ended their season with a 7-2 record and 7-1 in the Valley. Among those beaten were arch rivals Handy and Central.

Captains for the 1980 season were seniors Laurie Goss and Kelly O'Riordan. Losing only those two seniors, Mr. Manwell is looking forward to having a great season next year.

Western's J.V. basketball team started the season with an overtime win over John Glenn. A rugged mid-season schedule saw Western play 8 of its next 10 games on the road against the Valley's toughest competition, and play well at times but be worn down by deeper teams in the late part of the game.

But to the credit of the attitude and work of the whole team, the J.V. Warriors continued to improve. The J.V.'s finished the season with a respectable 7 wins and played very well in several other games. Team statistics showed the balance of the team, which accounted for the success they did have. Ken Babinski led the offensive attack by pumping 235 points for an 11.8 game average. Todd Pashak and Brian Slachta controlled the boards with 140 and 135 rebounds respectively. The J.V.'s were a credit to Western, and hopefully, continued hard work will bring more depth to the Varsity team next year.

Western's Freshman basketball teams ended their season with a disappointing 1-15 A Team finish and a 3-13 B Team close. Leading the A Team in the scoring department was Bob Kukla, while John Gillman topped the B Team.

Although the Little Warriors didn't fare too well, they gained some valuable experience.

Second year Coach Bill Seidenstucker feels the Varsity volleyball team came a long way. With little experience returning from last year, the girls came up with a winning record of 12 wins and 10 losses. They worked hard to come up with that record, and it showed.

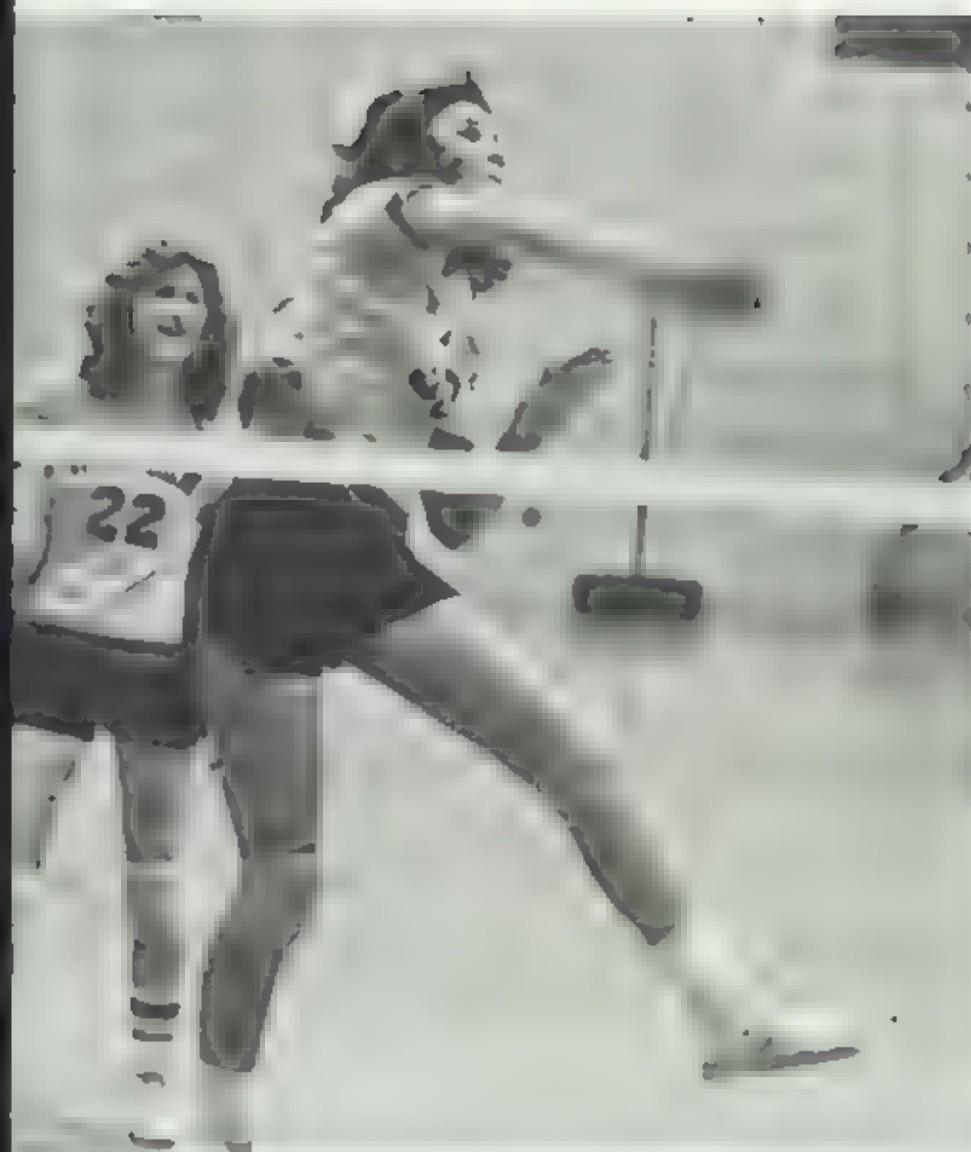

Highlights for this season were wins against rivals Handv and Central twice. They took third at the Pinconning tournament and a fourth at the Garber invitational. Receiving honors for this season were M.V.P. Sarah Auernhammer Best Passer Beth Wiesenauer Best Spiker Cheryl Schwab, Best Setter Ruth Donnelly, Most Improved Gail Klepser

Sherry Dominowski skies for the block

The 1981 JV volleyball team, coached by Marilyn Leinberger, had a very satisfying year with a 9 and 1 league record and 12-4 overall record. They were tops in the valley and are looking forward to next year, and with the improvement shown, they look like a promising addition to the varsity next year. Most Valuable this year went to Sherry Dominowski, Best Spiker, Marie Fryzel, Best Setter, Kim Klepser, Best Passer, Marie Fryzel, Best Server. Sherry Dominowski, Most Improved, Crystal Rechsteiner, and Most Spirited, Kim Klepser.

The freshman volleyball teams were coached by Colleen Gerulski. For most of them this was their first experience and they are looking forward to further improvements in the following years. Much was learned during this first year, and we hope they continue onto JV and varsity years. Shelly Wegener was chosen as most valuable player by her teammates.

Swimming has proven to be a strenuous sport requiring both dedication and perseverance. The strength of our Warrior team was shown as many team members excelled in their individual events. The team as a whole did well this season when they turned in a winning record for their efforts.

One outstanding swimmer on the Warrior squad was Troy Manwell. Troy turned in such excellent times in his events that he has earned himself a place in the State Tournament. He was the only team member to do so.

# *Wrestlers Do It on the Mats*

Scott Kochsteiner tries an original move, the "Wrecker Twist."

This year the wrestlers had a good season. They won the Western Invitational, placed second at the Lansing and Davison Invitational. The Wrestlers also placed third at the Dow Invitational. At the Valley and Regional Meet, our wrestlers took third place, and they won the District Meet.

Scott Rechsteiner, Keith Briggs, Ron Gorney, Brent Walkie and Joe LaFramboise went to the regional meet held at Davison. Scott was the only wrestler to qualify for the State Meet.

Scott Rechsteiner became the first wrestler in Western's history to remain undefeated for an entire season, 39-0 with 20 pins and became Western's second state champion in his junior year. Scott won his match against a German opponent when Germany sent their freestyle team to tour the U.S. He fell short of his goal of becoming a two time State Champion. This year he placed third at the State Meet. Scott has been selected to wrestle on the Michigan All-Star Team when they compete against the Ohio All-Star Team.

The wrestling team had another fine season. They showed much poise throughout the season as was shown by their 7-2 record. The team also wrestled against other varsity teams, beating them handily. The future should prove bright for Western with these up and coming talented wrestlers.

First year wrestlers, working under the coaching of Paul Elliot, had a fine season. These grapplers learned various moves, and techniques which proved to help them post their overall 4-2 dual meet record. The team also competed in several tournaments and earned many first and second places. Through the experience these wrestlers gained they show potential and will be valuable to Western's JV and varsity teams in coming years.

# *Varsity Has Pizzaz!*

*This year's Varsity Cheerleaders have a lot to be proud of — first of all for improving so greatly from last year and secondly for placing at every competition attended this year but one. In the summer they chose the top camp (USCA) to attend. They won a plaque on the final night entitling them to go on to Grand Nationals held in Lansing. There they placed 32nd in the nation out of 100 varsity squads. They also placed fifth in the (USCA) Midwestern Grand Championships.*

Western's JV cheerleaders were named 7th in the entire nation. They won this honor by qualifying for Grand Nationals at camp by receiving all 1st and 2nd place ribbons, and a plaque the final night. They also placed 3rd in the Midwestern Grand Championships 1st at DCA and 1st at Kingston.

They worked really hard this year and proved to be the best JV squad around! We are looking forward to a great squad again next year.

The freshman cheerleaders were really impressive this year. They placed at every competition they attended. First of all, they received a 2nd at the Dynamic Cheerleading Association and then a fourth in the Midwestern Grand Championships. They ended their year in great fashion, as they placed first at Kingston.

Towards the end of the year, Cheryl Stevens who participated at all of these competitions had to leave the squad. She sure deserves as much credit as the other seven.

If you look at other freshman squads, you would find that Western has one of the finest around!

Without the special help and encouragement from their coach, Kathy Christensen, these 3 squads wouldn't have done as great as they did this year.

Our Art Department at Western offers a variety of classes. Art I and II are the most popular and largest classes in this department. These classes are taught by both teachers, Mr. Schwartz and Mrs. Gottesman. In their first year, the students are given the basic assignments involving freehand drawings.

The second year art classes, III and IV, are a little more complicated. These students were assigned projects including ink, watercolor, acrylics, and the like.

Only the serious art students take on the challenge of Art V and VI. This year was spent to further their imagination and creativity. Advanced Art students worked at their own pace, and some of their work was very impressive.

Mrs. Gottesman, the crafts teacher, had her students making various projects involving wood, clay, metal, plaster and copper.

Western's business department helps students get off to the right start. Accounting, typing, business machines, data processing, shorthand, and record keeping were the main classes offered this year to the students.

Office Job Training was also offered. This class gives the students a chance to use their skills as if they were performing a job in a real office. These classes can benefit all the students who take them.

Foreign Language does say it all, and in many different ways. At Western there are four different languages that can be taken: French, German, Latin, and Spanish. Each one is special in its own way which makes Foreign Language so exciting to participate in. Plus, it opens the door to the understanding of different people and the worlds they live in.

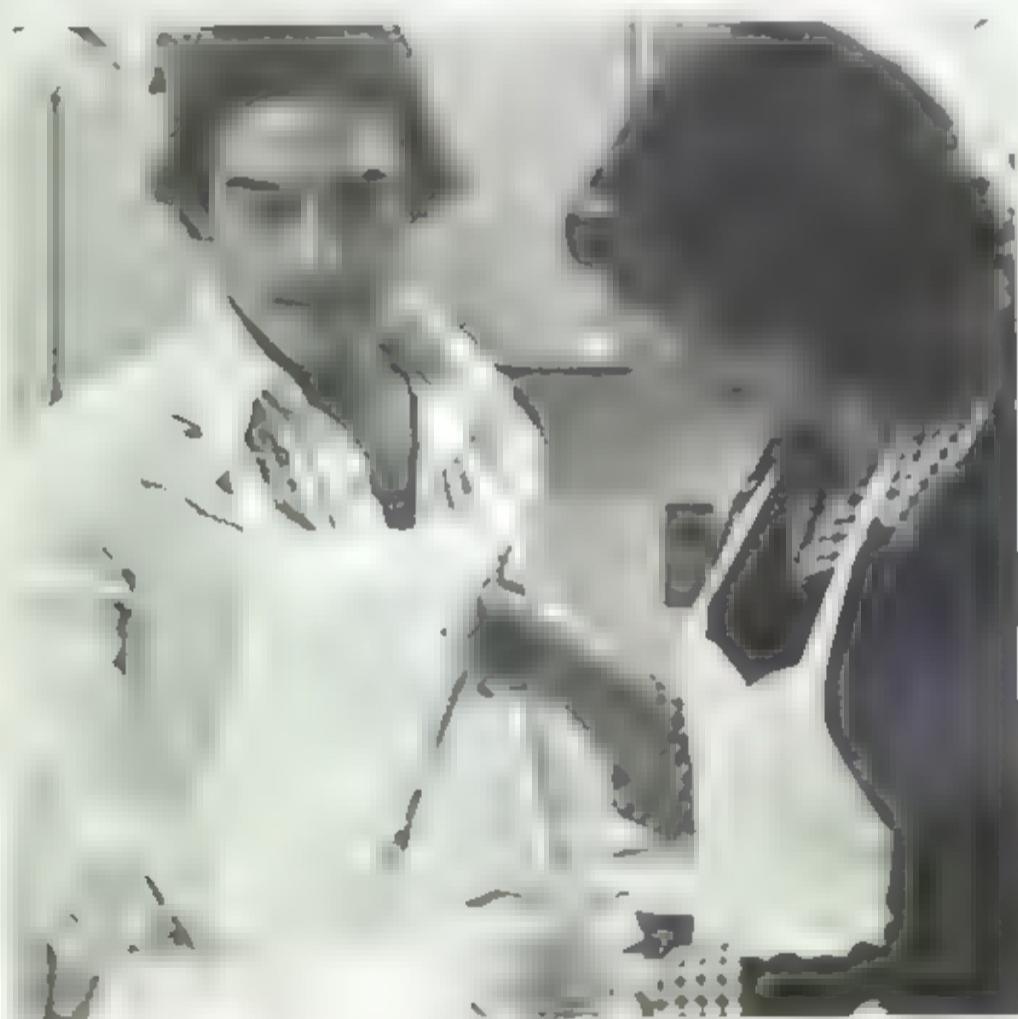

# Home Economics

The Industrial Arts department once again offered several different vocational skill classes this year. Though generally filled with boys, the Industrial arts classes also had girls enrolled. With the help of Mr. Gottesman, Mr. Appold, Mr. Krueger, and Mr. Pugh, many students have learned skills that will assist them in their future years.

Our Math Department has a wide variety of classes to select from. They range from Consumer Math and Algebra to Plane and Solid Geometry and Senior Math.

Even though Math is required for two years, many students enjoy taking an extra year or two of it.

One of the reasons the students enjoy this subject so much is because of the teachers' efforts and knowledge of their classes.

# Music Makes the Day

*Don't fall asleep, Dave Berger!*

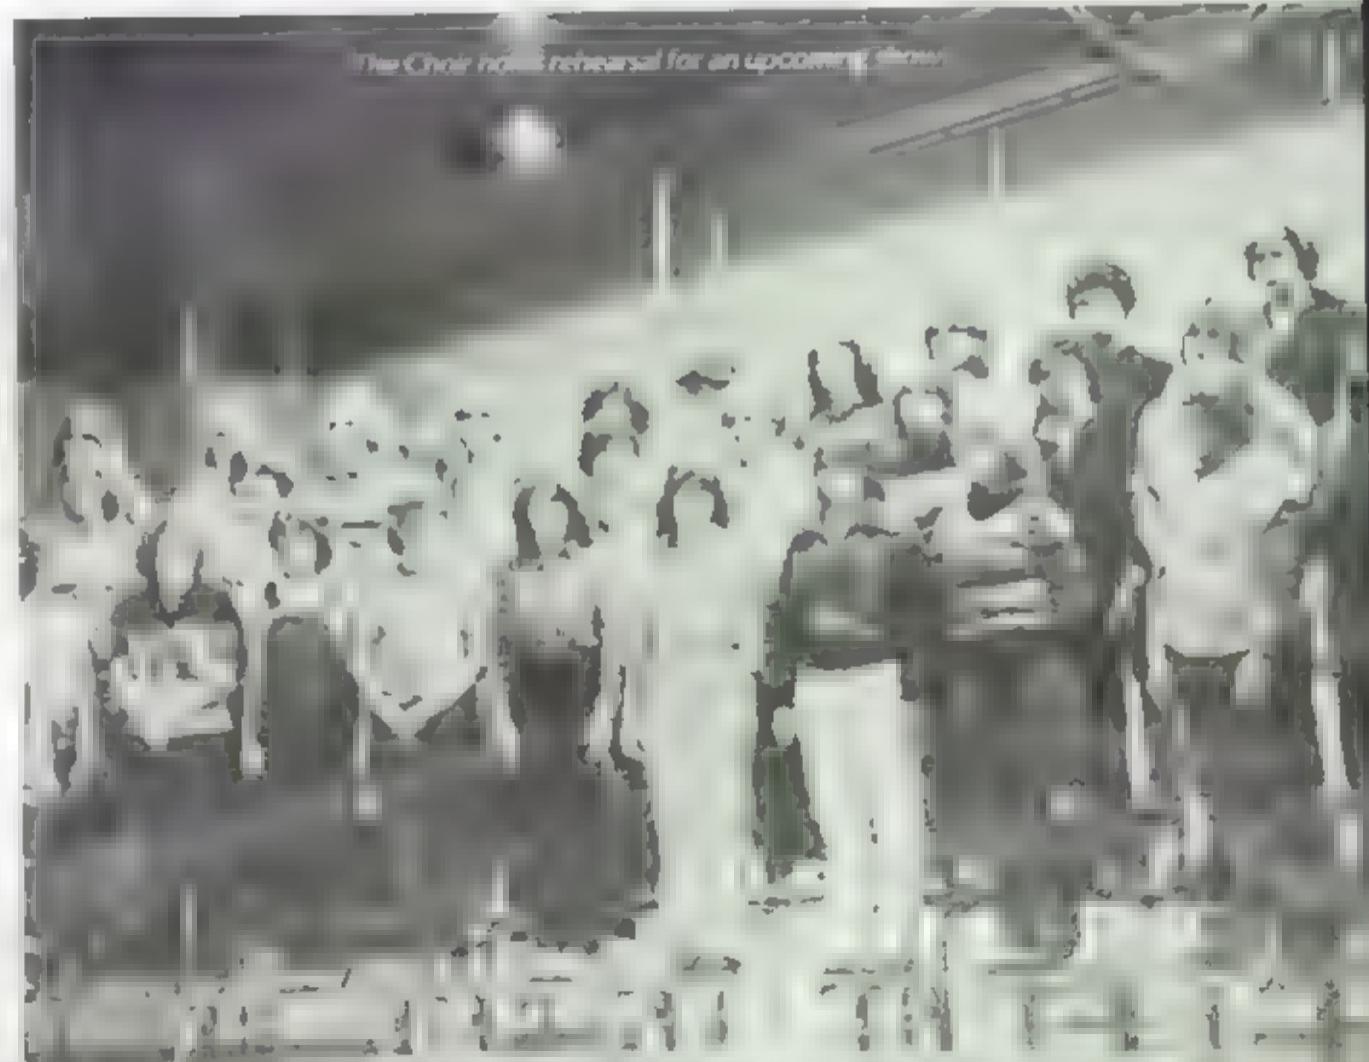

The Marching, Concert, and Cadet Bands, along with the Westernaires, are under the direction of Mr. Keith Saxton. These classes offer the opportunity to perfect musical skills and participate in many outside activities such as concerts and other performances. Many Western students take advantage of these elective classes to add a little music to their day.

# *Phys Ed Help*

*Everybody lift those legs*

*At Western High School every student is required to take three semesters of Physical Education*

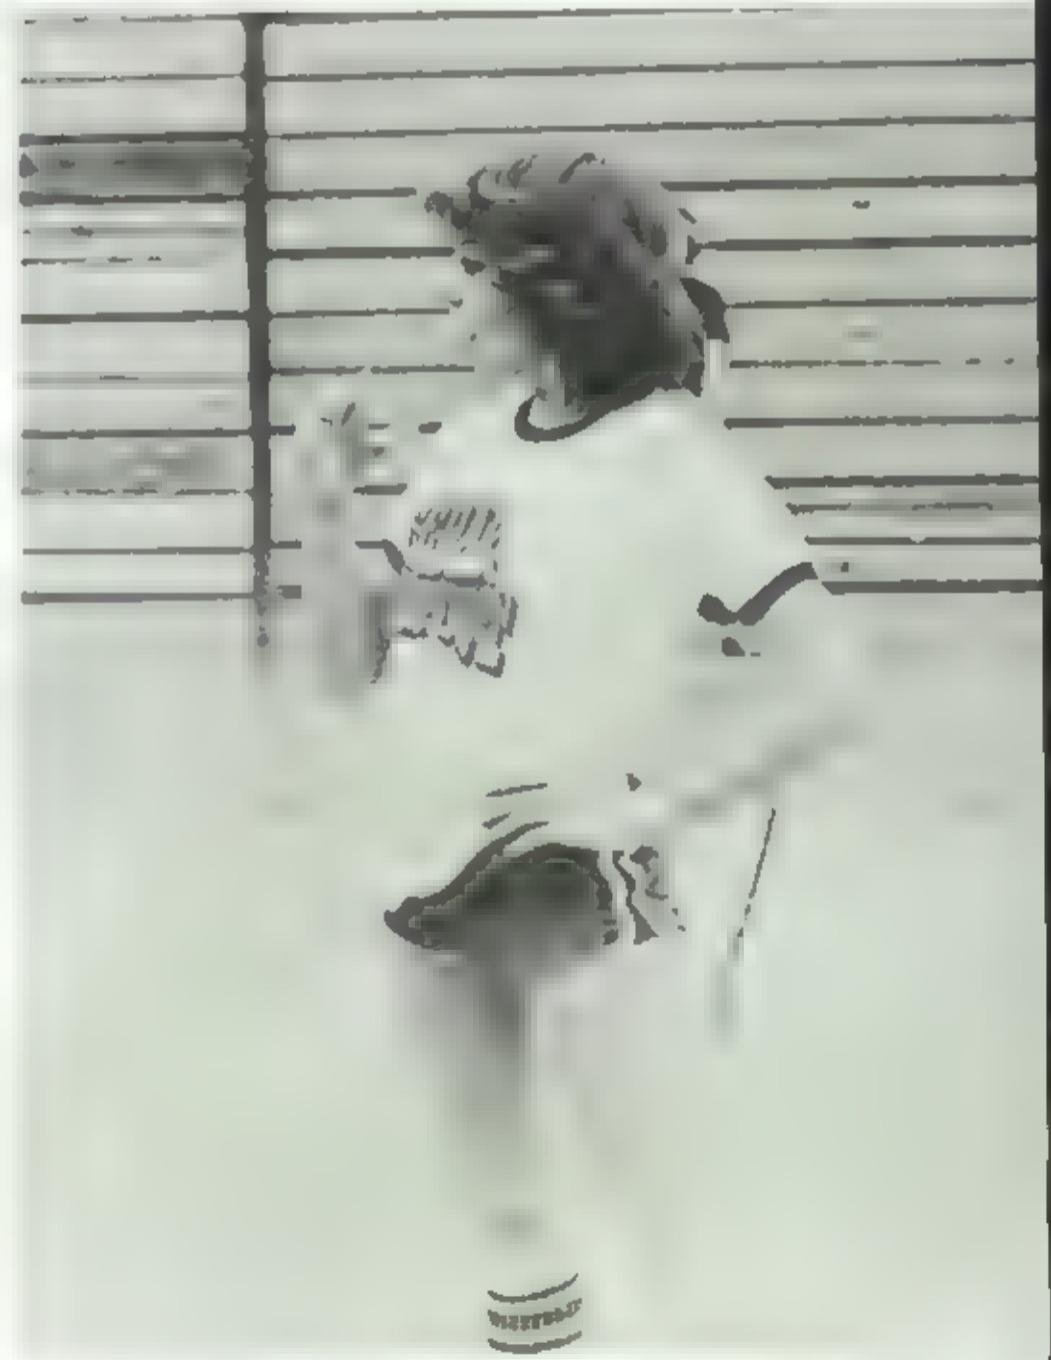

*Some activities taught in these classes are calisthenics, volleyball, basketball, track, tennis, swimming and gymnastics*

*Health class is also required for graduation. Although these classes are necessary, many students prefer them over other classes and would probably take them anyhow*

*There are many benefits from gym class. Among them are better health and physical fitness*

*A game of basketball is always fun in phys. ed.*

# *Skill Center*

*David Grove learns skills in welding*

The Skill Center plays an important part in some seniors' and juniors' schooling. It offers a wide variety of classes to help students develop their interests for use in the future. It is offered for students from most of the area high schools. Many Western students find very rewarding experiences while attending classes at the skill center.

Jeff Buffman and Carl Rhodes seem enthused!

The Social Studies Department serves a vital role in educating the students at Western High School. Though many students are not interested in history or government, it is most important that they understand what has happened and is happening around them.

Other classes available through the department are psychology, sociology, economics, Mich. history, and world history. After filling their required courses, many students elect these classes to fulfill their own interests.

Mr. Frank Bradley was the only teacher in the Speech Department first semester, since only five classes were filled.

Added to the Speech Department second semester was Mr. Ronald Ferguson who has taught at Western in previous years.

**PERSONALIZED**

# **Seniors Tell It Like It Is**

Four years ago, we came to Western High School, inexperienced, not knowing what to expect.

When we were freshmen, there were no freshmen sports. In our sophomore year, there were no sports at all. Our social life at school consisted of 9 minutes for a lunch break. As we got to be upperclassmen we got our sports back, even though we were still on a schedule from 7 till 12.

The past four years have been hard for the class of "81", adjusting to getting up so early, making new friends, having new experiences, and learning for the future.

Even though we probably don't realize it now, these past four years have been the most profitable ones in our lives not only scholastically, but maybe we also learned something about life.

Senior class representatives are Peggy Schlatter, Karen Bachelder, Barb Ptannes, David Burk, Jay Handy, Robin Martin, Klosowski, and Julie Krzyzaniak.

Amy Susan Hartley was born March 28, 1963 in Bay City, Michigan and had lived there all her life. On June 17, 1980 Amy was killed from injuries received in an industrial accident. Amy would have been a senior at Western this year.

Mai Tran was born Sept. 19, 1962 in Saigon, Vietnam where she lived for thirteen years. In 1975 Mai and her brothers and sisters moved to Harbor Beach. Then in 1979 they moved to Bay City. Her mother and brother, Noh, still live in Vietnam. On June 29, 1980 on her way to visit some friends in Harbor Beach, Mai died in an automobile accident. Mai will always be remembered for her permanent smile and cheerful personality.

*But, when the days of golden dreams had perished  
And even despite the world's tide  
Then did I learn how much I had lost  
Strengthened and fed without the aid of food.*

Michael Laney passed away on  
January 1, 1980, during his freshman  
year at Auburn University. He died  
as a result of injuries received  
when he was hit by a car while  
delivering newspapers.

He was involved in Auburn  
University's Little League Baseball. He will be  
remembered by his friends in their  
memories and prayers.

# *Freshmen, a Step Closer*

Freshmen representatives are Senators Michelle Basket and Diane Goodwin, Vice President Barbara Kehr, President Sue Schmidt, Secretary Kris Kruchkow, Treasurer Sue Reder and Senators Lori Morford and Becky Roth.

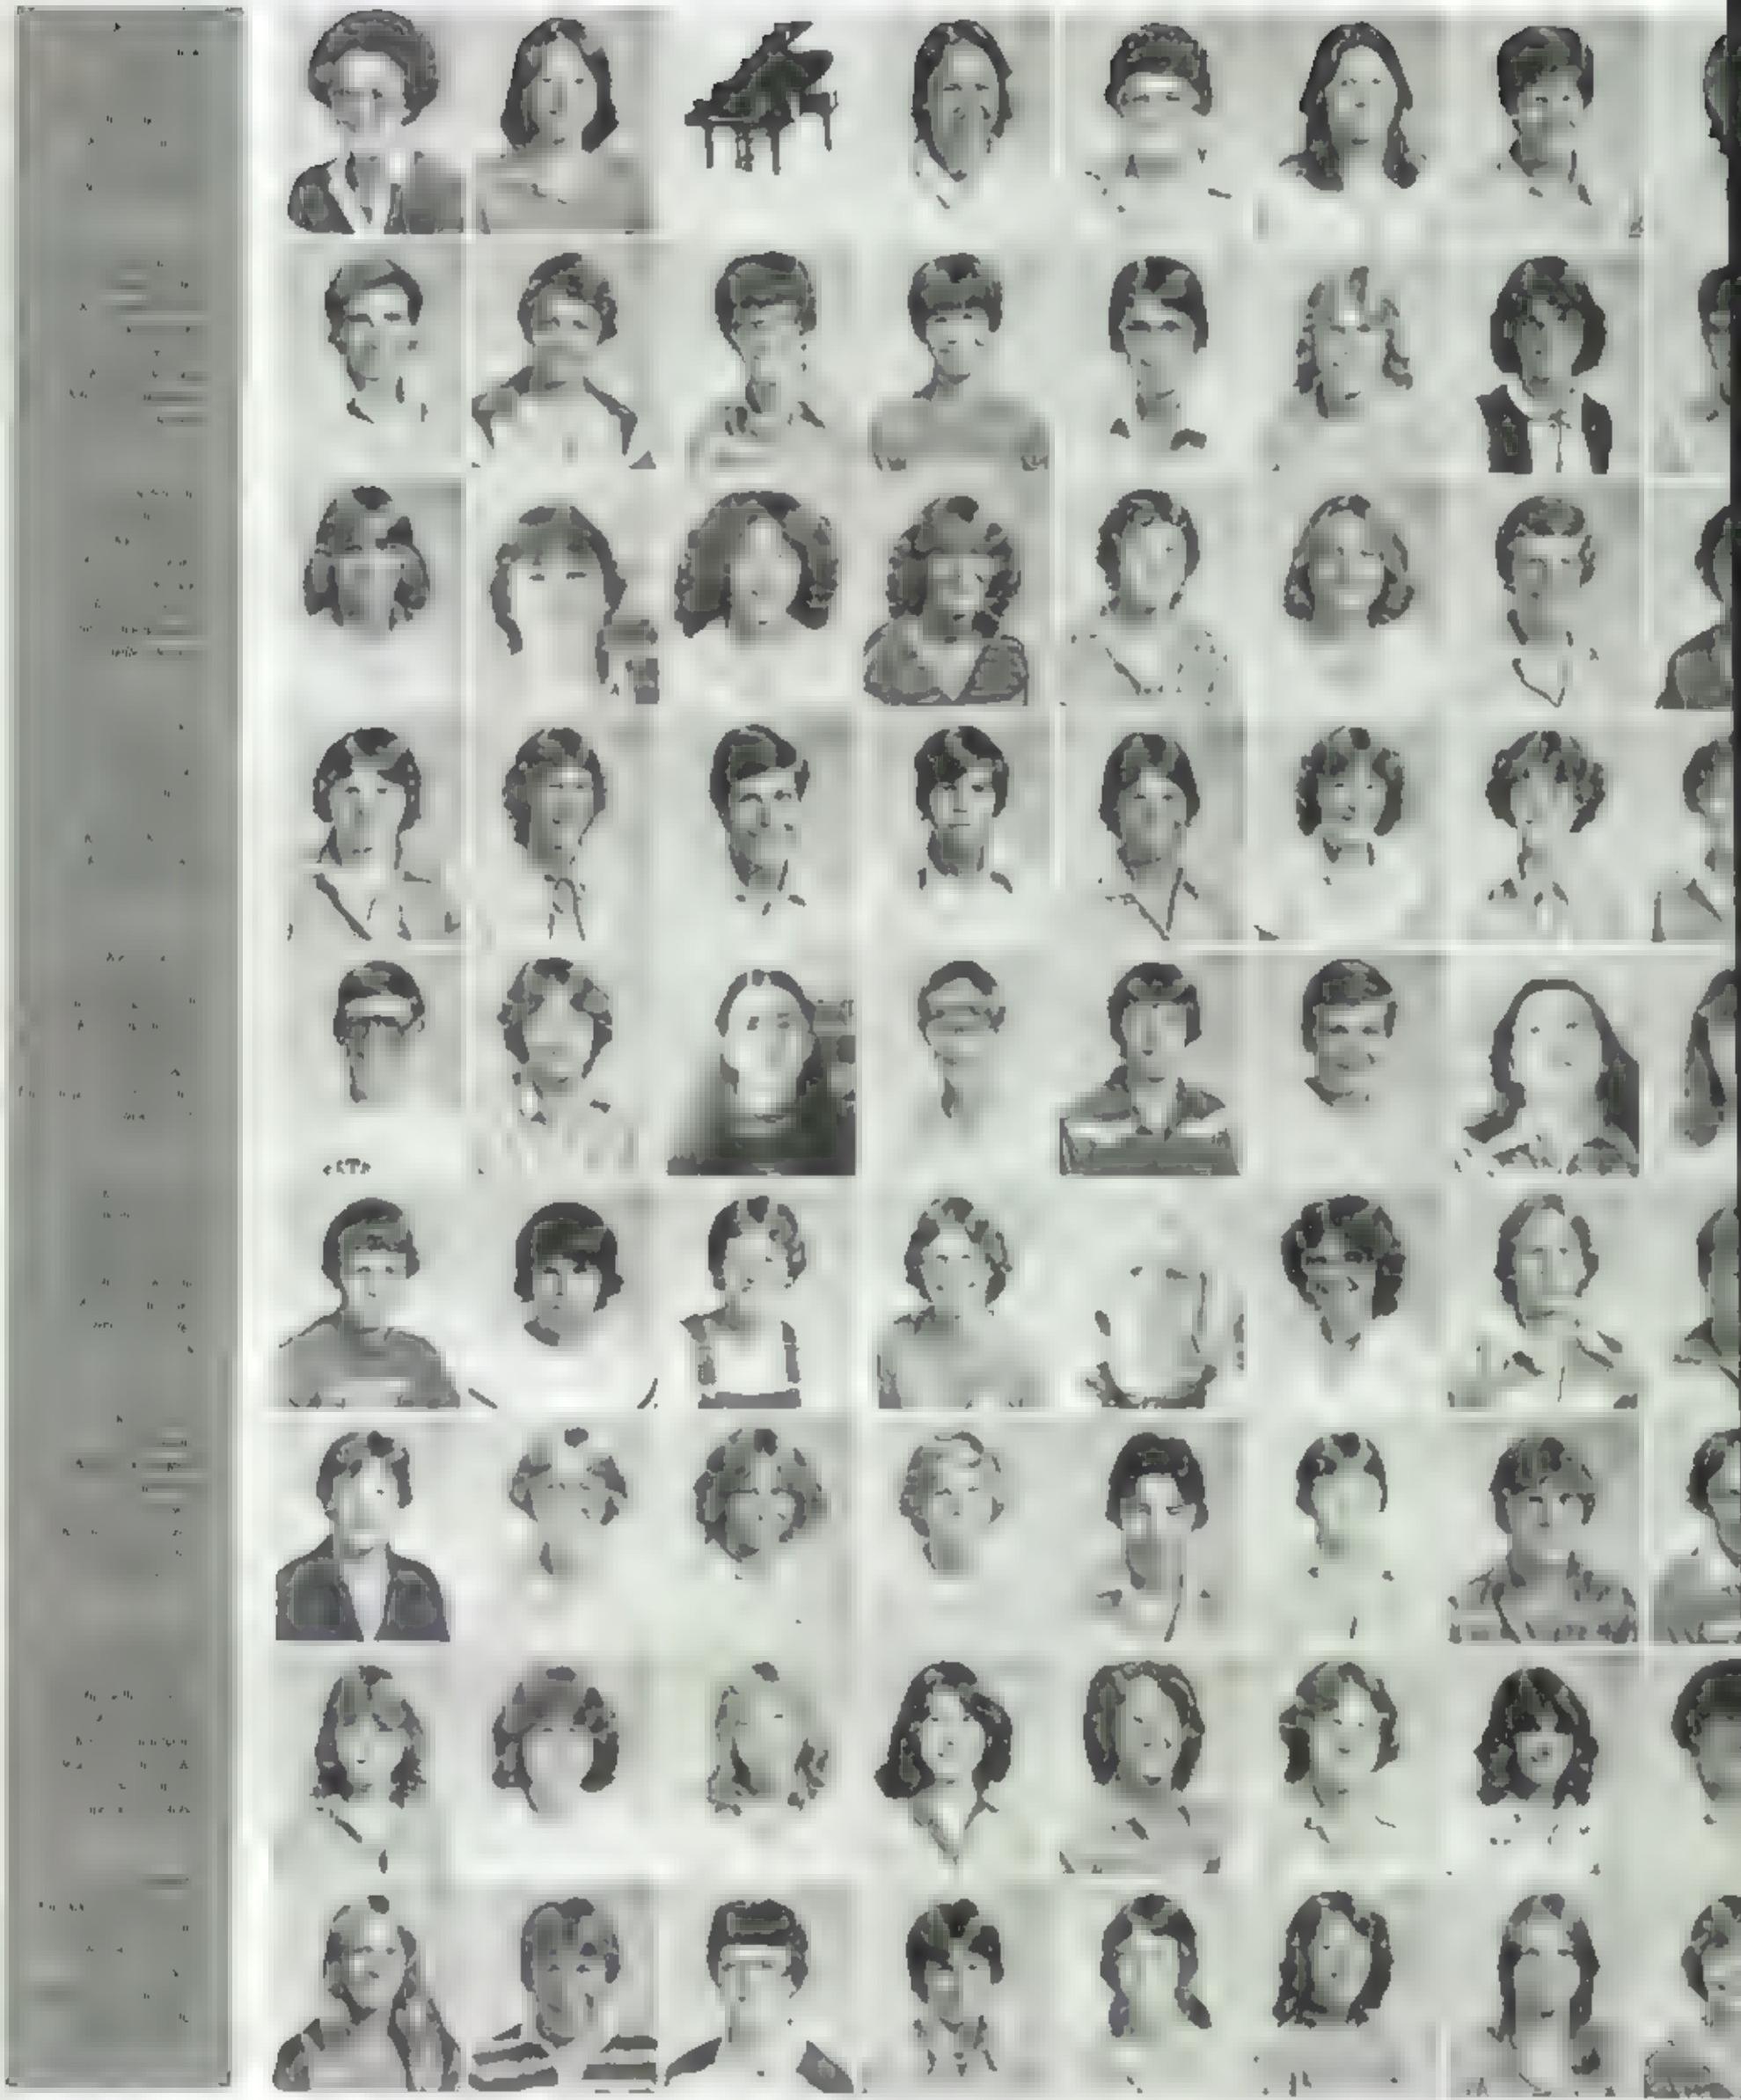

An election was held this fall for the freshman officers to represent the class of 1984. Elected were President Sue Schmidt, Vice President Barbara Kehr, Treasurer Sue Reder and Secretary Kris Kruchkow. Senators chosen were Diane Goodwin, Michelle Basket, Lori Morford, and Becky Roth.

These freshmen will continue to grow, to learn, and to prepare themselves for the responsibilities that will lie ahead in the next four years.

All the freshman officers take time to pose for another picture.

# *Board Members Do the Job*

*Superintendent – Raymond Duch*

*Orville Reno*

*Ken Kuizenga*

*President – Katharine Serumgard*

*This year the board members all had experience. Everyone of them was a board member last year. There was one change, Mrs. Katharine Serumgard was elected president*

*We have to give a lot of credit to the board members for running our Bay City Schools. They work many hard hours without pay*

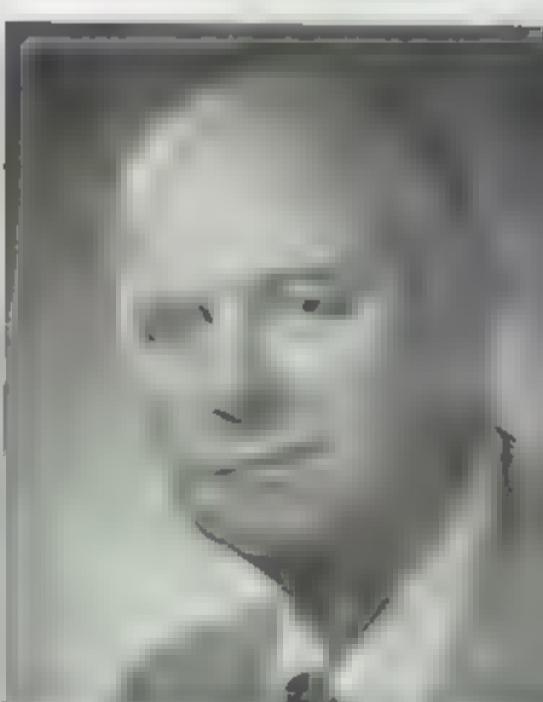

*Kitty Ralph*

*Dr. Eldon Clayman*

*Alex Murray*

*Eugene Stewart*

Mr. Alan Bryant — Principal

Mr. Ed Langenburg — Assistant Principal

# *Administration Is Not Easy Work*

Mr. Robert Bloenk — Assistant Principal

Working to help all the people in school was Mr. Alan Bryant, principal of Western High. Helping him out were assistant principals, Mr. Robert Bloenk and Mr. Ed Langenburg.

Even with all the problems the administration faced this year they all worked together to make it a great year for the students and staff at Western.

# *Special Services Provide Aid*

*Mr. Jacobs relaxes from his Co-op activities*

*Mr. Davidson, dean of students, is caught by surprise*

*Mrs. Markel works out of the Career Resource Center*

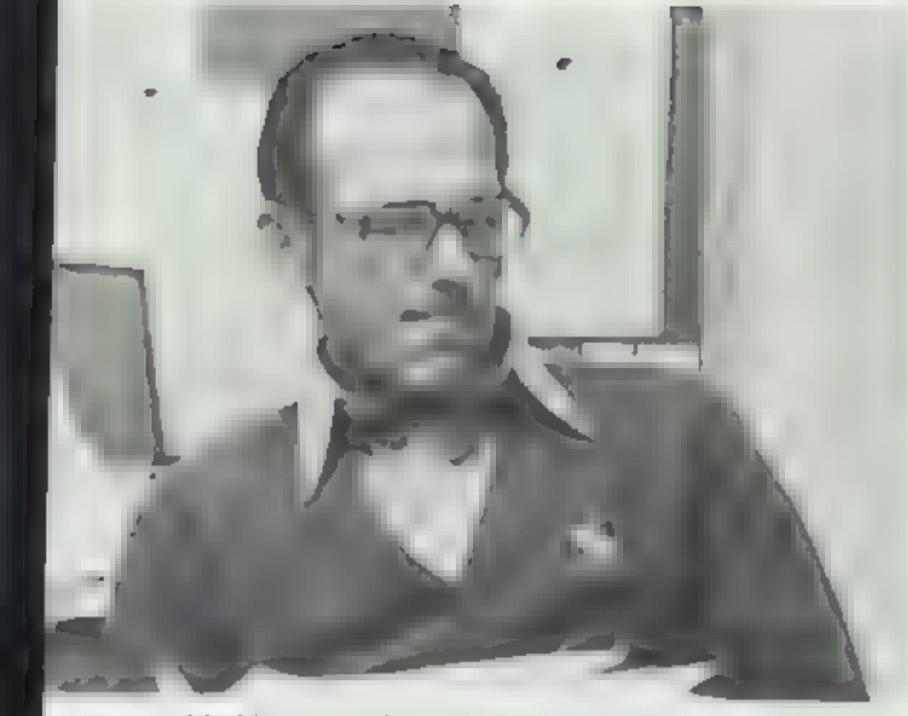

*The School social worker is Mrs. Dannelley*

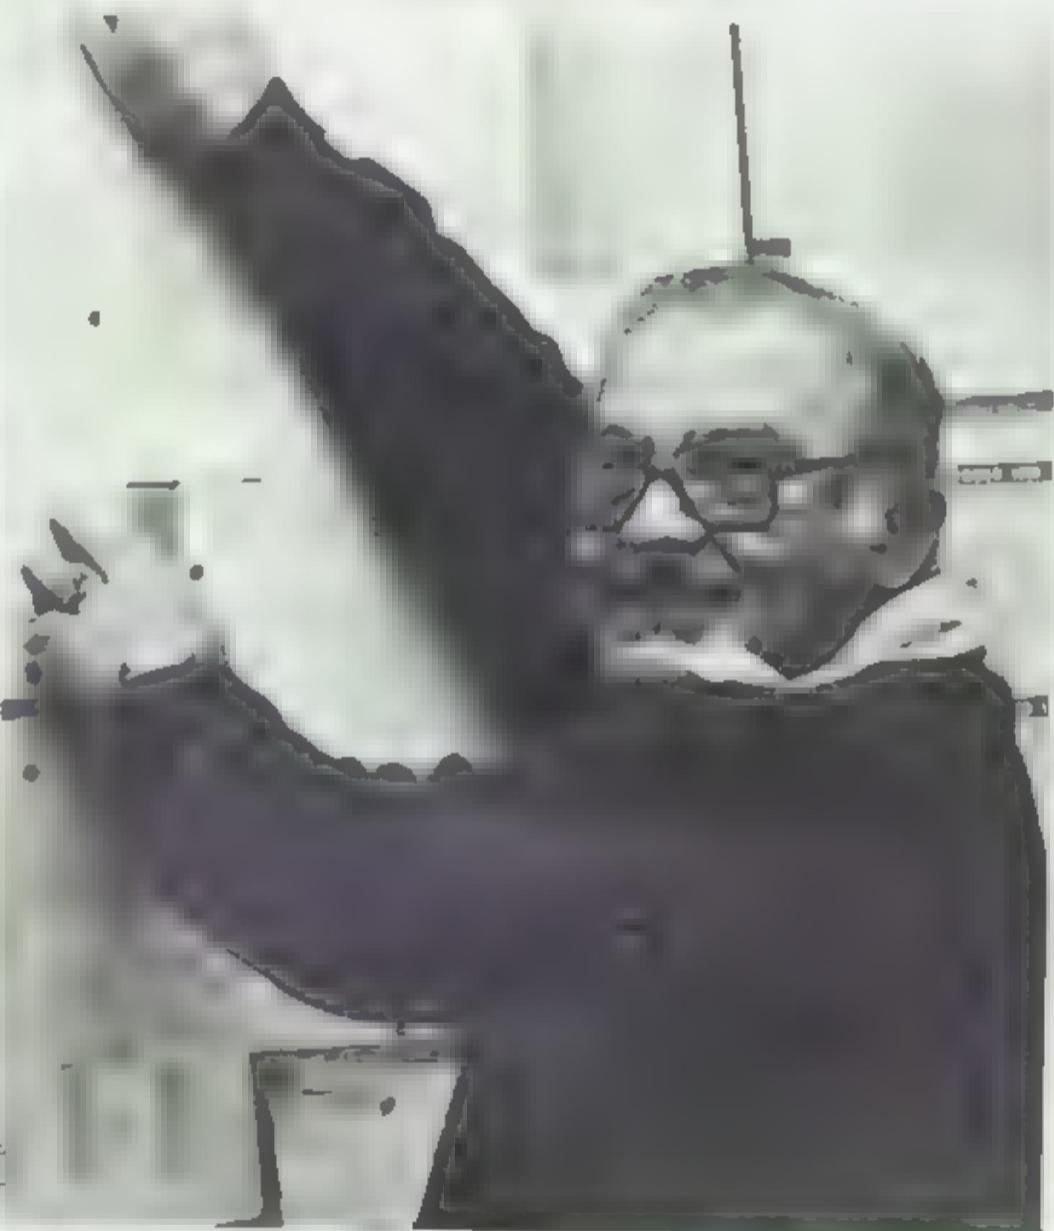

*Mrs. Hoag, librarian, takes time to pose for a picture*

*Western offers its many students five special services in many different areas. Mrs. Dannelle is a social worker. Mr. Davidson is Dean of Students. Mr. Jacobs is the head of Co-Op. Mrs. Markel heads the Career Resource Center, and Mrs. Hoag is head librarian.*

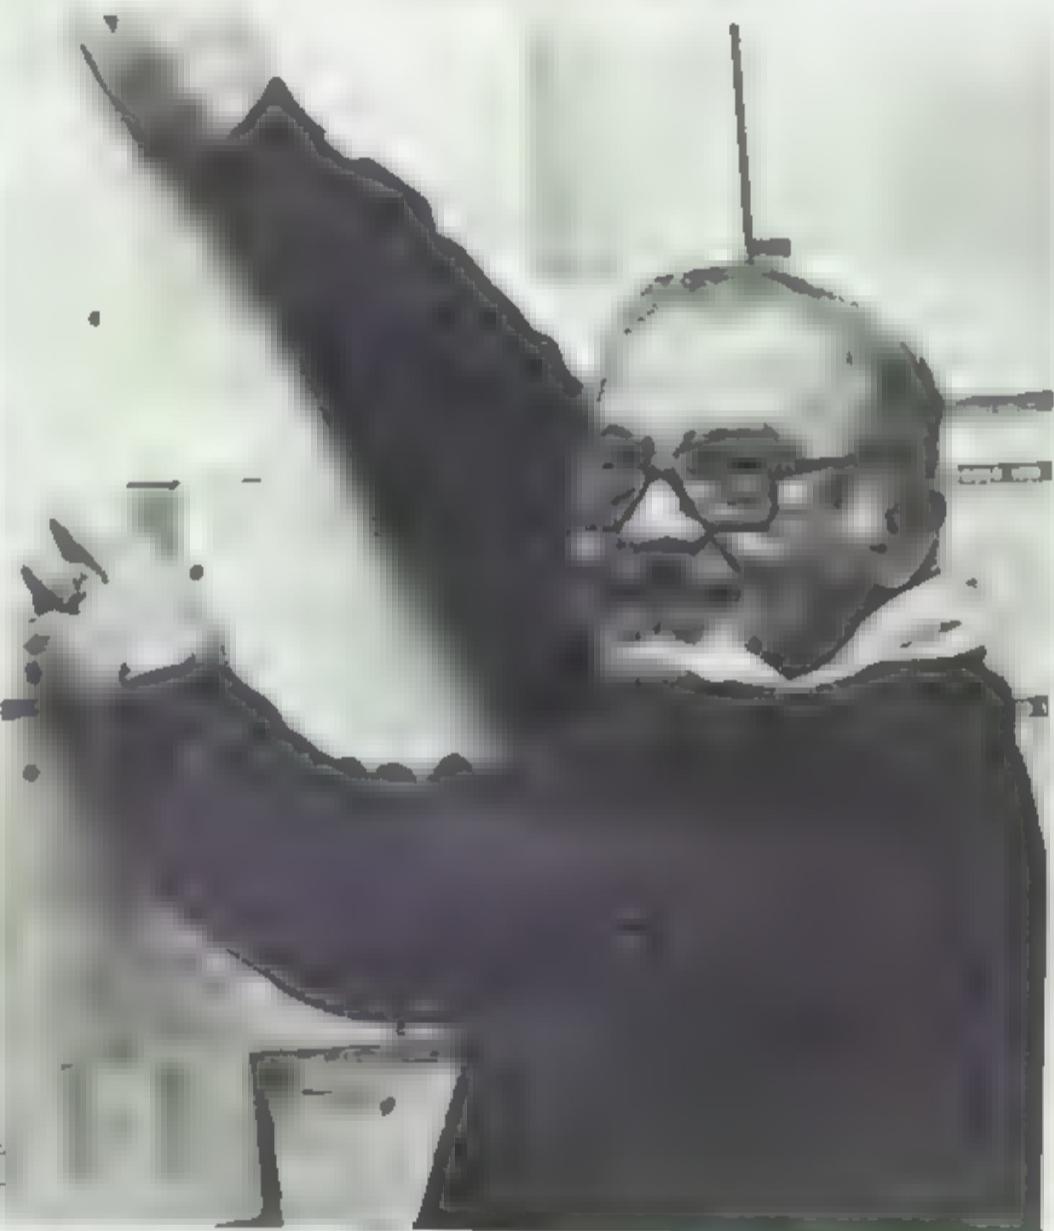

## *Counselors Help Students Build Their Futures*

Mr. Mosier ponders a student's problem

Mrs. Davis enjoys helping students plan their future

Checking a student's record is Mr. Pryzbylski

Mr. Gavrila posts important information for the students

Once again Western students were very fortunate to have four counselors to help them through their school year. They were Mr. Mosier who took care of ABCDEZ; Mr. Gavrila had FGHJKN; Mr. Pryzbylski took ILMOQRUVY and Mrs. Davis had PSTXW. These people help students build their future.

# Secretaries G

Smiling is Mr. Bryant's secretary, Mrs. Hanczewski

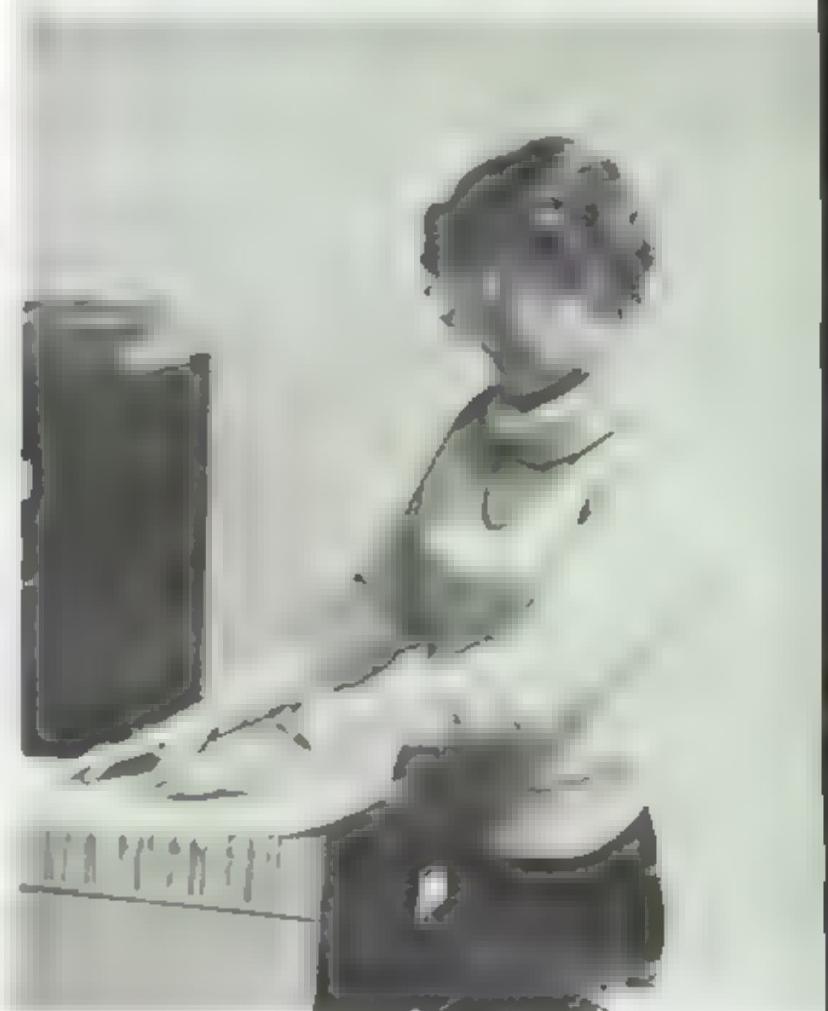

Secretary for Guidance Center is Mrs. Doan

Keeping up with attendance is Mrs. Linda

The secretaries here at Western are the backbone of the whole administration. Without their help and cooperation we could not have the smoothly operated systems we sometimes take for granted. For all their help we offer a greatly deserved "Thanks" for the time they put forth yearly.

The secretaries are Deb Hanczewski for Mr. Bryant; Maxine Barker for Mr. Bloenk and Mr. Langenburg, Carol Sabouni, switchboard, Dorothy Lehman, records; Eileen Doan, Guidance Center; Ruth Wilhite, Behavior/Athletics; Sue Thomas, library; and Kay Linda, and Mary Lou Jammer Attendance

# Custodians Kee

Linda takes better pauses for a better life

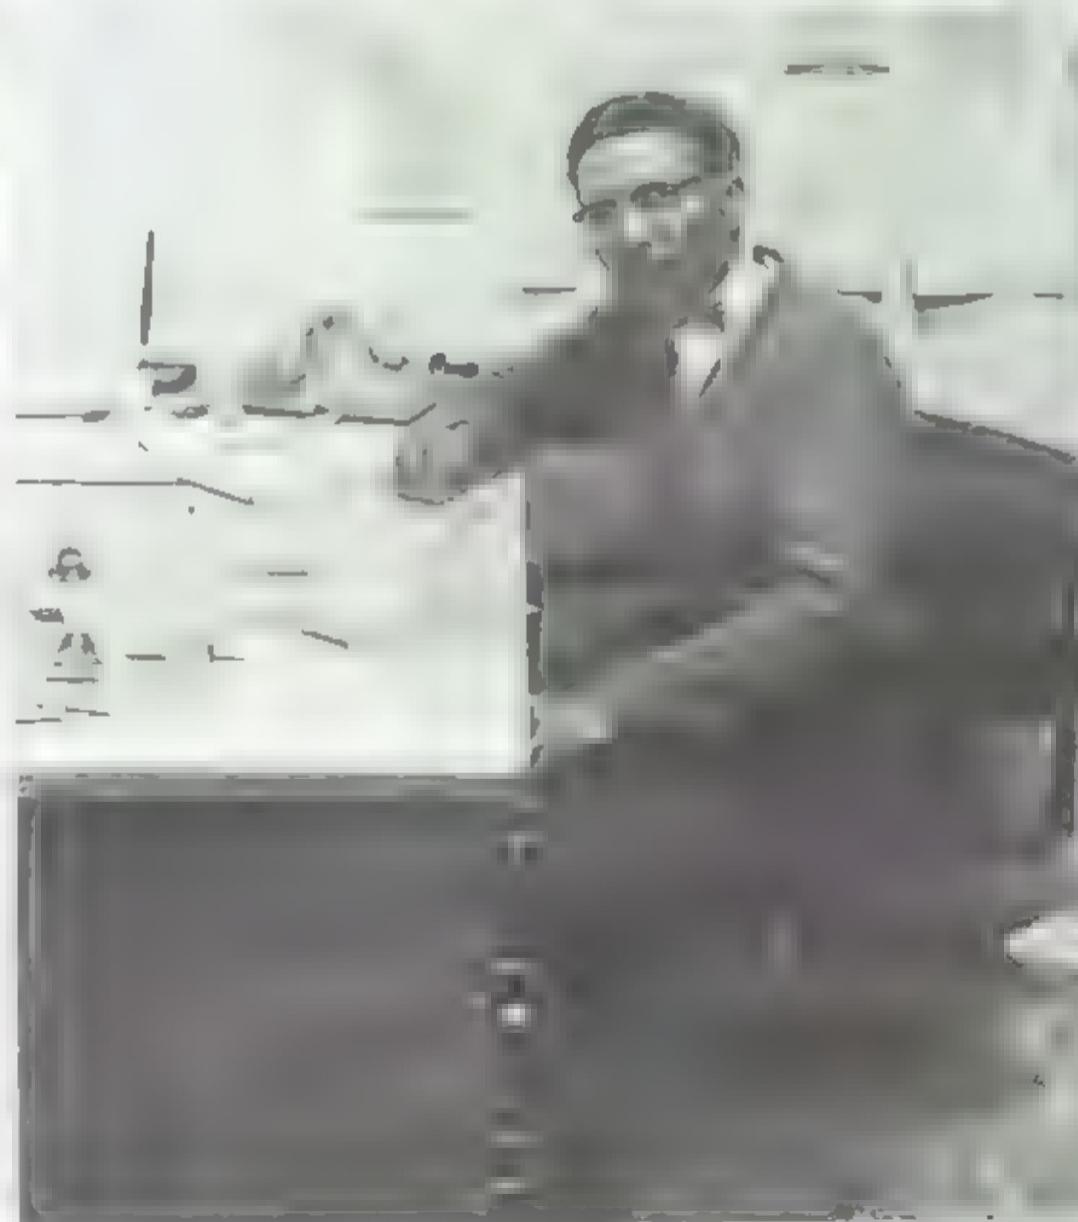

Bob takes better pauses for a better life

Donna seems to enjoy her work

The custodians at Western High have a tough job to do. They are responsible for keeping our school clean and operating smoothly. The custodians work all day and night cleaning and mopping. They also have the responsibility of keeping the lockers and lights in working condition. If it was not for the custodians, Western would be in deep trouble.

# Cooks Have Great Taste

Western cooks are Rita Reiss, Marie Wasiewski, Doris Bedell, Grace Ferguson, Mary Ellen Matoszewski, Dee Howren, Alice Kozuch, and Vicki Bigford.

Even though they had only fifteen minutes to feed us, Western's cooks tried to get out some nutritious food along with the wide assortment of "junk food" liked so much by the students.

They were once again a great help to those who suffered hunger pains after a grueling day at Western.

Rita Reiss specializes in sandwiches.

This year, Wayne Sevilla, Wayne Metevia, Colleen Gorski, and Charlene Flores could be found lurking in the halls trying to keep things in order, with Lu Ann Sanders helping out in the girls' locker room.

The hall monitors were a great help again this year as they have been in the past.

### CLOWNS, CLOWNS, CLOWNS...

The picture featured on this month's cover represents the very first automobile insured by Endline Insurance Service of Auburn Michigan. It also represents the Endline's newest advertising gimmick—clowns!

Clown murals have been painted all over the outside of Ken and Diane Endline's combination office and home. Ken said that the clowns have not only been good for the business but he also thinks they have given his clients a more cheerful attitude.

We all really love him  
For he always wears a smile  
And the funnier his makeup  
The more he is in style  
May your forth coming Holidays  
Be happy ones."

**Words of the Wise:** as says Jay Handy,  
Never speak of radishes in the  
presence of a foreign diplomat  
during boozey season.

In starting this page, I had visions of composing some deep philosophical essay dealing with the vast experience one encounters in the course of these four years. Along with trying to give some insight to freshmen on how fast those years really do fly. It would then all wind down by me wishing all of my peers good luck in all of their endeavors. I then realized that everyone has heard it all before and how few people really read this page. I mean, really, this page is tucked away just before the index pages so secretly that everyone just passes over it. Right now I could just hear some real vulgar phrases and obscene ideas or maybe run around nude on this page and I betcha the administration wouldn't even hear about it. So what's the use of even trying to sound intelligent. Oh, by the way, this is called the editor's page for you people who have just arrived.

For anyone who is lost and has found themselves on this page, I would like to say by immediately closing this book and letting the front cover open you will again find yourself back at the table of contents. From there you should be able to locate the section you were looking for.

Now for you few remaining souls that intentionally located this page to see what crap I would write, I bid you a welcome and a thank you.

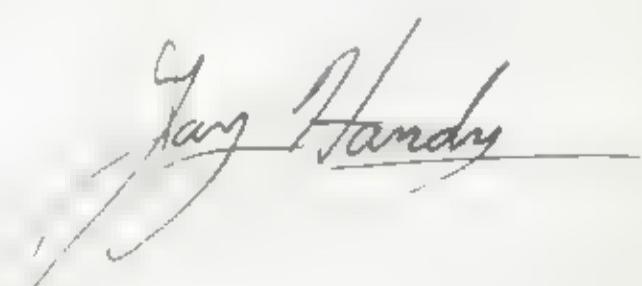

As you select few know, this page is usually filled up with

bunches of sincere thank you's and private jokes only known to staff members. Well a hefty thanks does need to be directed toward Miss Judy Ransom, alias "JR". She is incredible. The patience, understanding, loyalty, helpfulness, kindness, or maybe just insanity, is overwhelming. It takes all to handle the job of advisor for this crew. She deserves all of the respect.

Sometimes as editor the book is referred to as "my" book. I disagree, this book is equally everyone's on the staff as much as it is mine. What you are holding in your hands is the results of combining everyone's imagination, time, effort, talents, and love to produce this end product. There is no other feeling of opening this book for the first time after working so hard in trying to capture something so free as time on pages. The goal as a class is to maybe someday bring back a small portion of that energy and joy once felt at a place called Western High. And if twenty-five years from now it does, write me a note, I'll pass it along to the rest of the gang.

Before I finish, I must bid a huge thanks to the whole group. Without you gang it wouldn't be here. I am obliged to you all for tolerating my bizarre humor, lateness, arrogance, and all strange traits you didn't find appealing. Each and every one of you is great in his own way.

Thank you for the experience

This image shows a single page of a handwritten document that is severely faded and overexposed. The text is illegible due to the poor condition of the original paper. The layout consists of several horizontal rows of text, likely organized into paragraphs or sections. The paper has a mottled, light-grey appearance with darker, smudged areas where ink might have been present.

am so glad  
to meet you. This  
year I hope I still see  
you ever though you will  
not be going here anymore. Maybe  
I will see you this summer. Take care, I can  
through Western High.  
We made it  
Chris,  
I can hardly believe it.  
Good Luck in all of your  
future endeavors.  
Sincerely, Jim Maff  
P.S. I am sorry I  
can't get to you sooner.

Chris -  
We made it  
through Western High.  
I can hardly believe it.  
Good Luck in all of your  
future endeavors.

- Chris -  
Well, it seems like  
we've been young  
to achieve together  
forever, but we  
finally made it.  
I wish you the  
best of luck in

Chris,

what can I say? Hey, it's been fun having you in Physics cuz I think you're really nice you made the class a little less boring. I'll remember all those times you slept in class, ya know, I wish we would've skipped a few times & went to Mac's or for pizzas (that would've been better than class!) Best of Luck Always &

Party hearty! Have yourself a great summer & I'll see ya at the parties (or maybe I won't see anything. HA! HA! HA! I won't be able to!) Well, Take care.

Love,

R.M.A.

Chris,  
Really molt  
many & meant  
nothing, what about  
but there was always  
some time going on.  
Good luck and have

Chris,

I'm really glad  
I got to know you  
this year, and thank  
you for the help on  
few of my Gov.

Best wishes

+ take care

Chris,  
I'll never forget our  
crazy Physics class  
Especially all the quizzes  
tests we didn't hand in  
because we had no  
books. Oh well, together!  
Doddle P.M.

haha your good  
year book is gonna be good  
many more of you guys  
to make more you guys were  
more - how is our FTK  
my

Chris,  
We're a really nice  
team and it was lots  
fun having you in  
John's class & Seniors  
class. Take care and  
good luck on the  
future. Love Anita

Chris,  
To a guy who is an independent  
rock n roll student. It's been a riot  
knowing ya and maybe we'll see  
each other bummin around. Have a  
good graduation and a great summer.  
Catch ya later. "81"

Take short as  
natty crazy times? I  
made (huh?)  
Guy (huh) I'll give  
you Christ never gave  
sewell guy good trip  
to be with trip.  
it to go. May all  
wishes be granted,  
your dreams come  
true. I'll see you a-  
round and hope-  
fully ever after  
of few years of the  
adult life. Keep in  
touch and good luck in life  
I you do! (nally)  
try love Mom
